Information:

This national competition is organized for the 11th time. The event is also open to foreign teams. This means that foreign teams count in the competitions for the prizes.

Accommodation

The competition is held on the beach in Noordwijk (Koningin Wilhelmina Boulevard). At the venue is an opportunity for you to change clothes and there are toilets. If needed there will be accommodation available for the participants at the Leeuwenhorst hotel, rate 35 Euro per person/per night. If you are interested in it, please contact us by email, so we can help you further.

Participation

The competition is divided equally over two days with the European Championships IRB (Inflatable Rescue boats). Look carefully to the timetable on the website www.breedtesport.eu (time depends on sea and weather-conditions). Each society or club may subscribe an unlimited number of participants per team. The final order of the different disciplines are included in the program booklet.

On disciplines with a ski (ski race, ocean man / woman, ocean man / woman relay) only enrollment of participants who have already completed a full race course at sea, is allowed. The team manager must sign for these participants a special statement. The final decision rests with the referee and the security officer of the local brigade.

Material

Teams are requested to bring their own caps, boards and skis. Teams that do not have their own board, must send a request to hire this. In principle no skis are available to hire. If that gives a large problem, please contact the organization. Send an e-mail as soon as possible but no later than August 23, 2015.

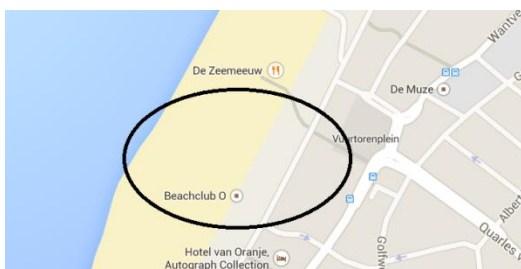

At registration is € 20,- deposit has to be paid and in return they receive a special card which the material can be collected.

Recognition

Each team needs to be recognized during the race by means of a different color cap. The color is in principle free to choose, as long as the combination of color and pattern, is unique. See also lifesaving.nl/sport/club_caps_NL
