## 5. Ranking

### BAM Category:

An overall individual ranking will be drawn up (A, B and M: one ranking per category). The ranking of all 4 parts count.

The relays of A and M are merged.

The best 3 participants based on this ranking will receive a medal.

### CDE Category:

A classification will be made per individual part, per category.

The best 3 participants based on this ranking will receive a medal.

The relays are added together and the best 3 teams based on this ranking receive a medal.

## 6. Contest

Each athlete must wear a team cap for each event.

Whether or not to wear neoprene, vests, etc. is determined by the race management on the day of the race.

For the security of the competition, cooperation is requested from each association by supplying 1 boarder (including their own board) for the security of the CDE athletes on the water.

## 7. Parking and competition location

A parking lot is available for participants, guides and spectators within walking distance of the competition location. This should be used. Parking on public roads is prohibited.
